

General Information

Every student in Room 13 will be expected to strive to be the best they can be, and to make the most of all opportunities on offer.

Students should be spending about 30 minutes each night engaged in learning at home.

Each student will have a school diary to record goals, homework, notes and much more. This is a great tool for student/teacher/parent communication.

Students need to be organised each day with their school hat, swimming/PE gear, water bottle, diary, books and stationery.

Sport Leadership

One of the highlights of being a member of Room 13 are the Sports Leadership opportunities.

As a member of Room 13, all students will be learning to lead lunchtime sports competitions. They will be required to run these competitions for two terms, and for one lunchtime per week.

This opportunity allows students to build their leadership abilities and gain confidence.

Students may also choose to issue PE gear to students during lunchtimes.
